"Joining Excellence With Purpose"

ABOUT PTS....

PTS is owned and operated by Bryan Harding, who has over 20 years of experience in the Natural Gas industry.

PTS is a dynamic company known for its craftsmanship and attention to detail. We provide a superior product, both in a timely manner and at a reasonable cost, to an ultimately satisfied customer.

It is our goal to meet the needs of our customers by providing a "one stop shop" environment encompassing all of their interconnect needs, including, electrical, structural, and mechanical applications.

Centrally located in Stillwater, Oklahoma, PTS is represented throughout the United States.

PTS specializes in fabricating the following natural gas and petroleum product equipment:

- Meter Settings / Skids
 - Ultrasonic
 - Coriolis
 - Positive Displacement
 - Heliflu
- Flow Control Skids
- Pressure Regulation Skids
- Fuel Gas Skids
- Static Mixing Skids
- L.A.C.T. Units
- Sampling Skids
- Launcher and Receiver Systems
- PTS Bi-Pin Launchers
- PTS Bi-Pin Receivers
- Headers
