Bleed Line Deodorizer "Stink-Be-Gone"

Description: The IMAC Bleed Line Deodorizer is designed to reduce third party customer complaints at stations with natural gas bleed lines. The Bleed Line Deodorizer (scrubber) removes mercaptan odor / odorant from natural gas bleed and natural gas vents.

Installation: Remove inlet and outlet covers (red plugs). Pipe into place with outlet side facing away from rainfall.

Applications: Instrumentation vents or bleed systems that vent odorized natural gas; including intermittent or constant bleed lines. Examples include instrumentation panels, relief valves, control valves, regulators, and pneumatic controllers.

Specifications: Overall Height: 8 1/2" ± 1/4"
Maximum Diameter: 3 1/2"
Inlet Options: 1/4" • 1/2" • 3/4"
• 1" • 1 1/2" • 2" (Custom Sizes Upon Request)
Outlet: Open or Threaded Vent
Weight: 1.7 lbs
Working Pressure: Atmospheric
Material: Plastic Polymer Body
Packaged individually for easy transportation and storage

Media: Activated Charcoal
